

Regulatory Environmental & Safety Compliance Training Schedule September – November, 2009

**Course #1 Sept. 16 8—5 pm
DOT—Hazardous Materials Transportation 8 Hours**

This course is designed to satisfy the DOT requirements for employees involved in the shipping, receiving or transporting of hazardous materials as contained in Subpart H of 49 CFR 172. Topics covered will include: hazardous material tables, shipping papers, marking and labeling, placarding, packaging, emergency information, safety and security. (You will need a copy of the OSHA 49 CFR Hazardous Material Regulations. A copy may be ordered for an additional \$65 when you submit your registration fee.)

**Course #2 Sept. 24 8—5 pm
RCRA—Hazardous Waste Management 8 Hrs**

This course is designed to meet the annual RCRA training requirements in 40 CFR 262.34(a), 265.16 for initial or refreshed training. Topics include waste identification, on-site management, shipping, emergencies and releases, and treatment and disposal requirements.

**Course #3 Oct. 7 8—3 pm & Nov. 18 8—3 pm
6 Hr—Biological Wastewater Review (Core Competency)**

This course is designed to comply with the continuing education requirements for renewal of biological wastewater certification. Specifically, the topics covered during this training will satisfy the requirement for 6 hours of training in the area of CORE competency.

**Course #4 Oct. 22 8—5 pm
HAZWOPER Annual Refresher 8 Hours**

This training course is designed to satisfy the requirement for employees trained under 29 CFR 120 paragraph (q) to receive annual refresher training. Topics include review of the standard, PPE, hazard recognition and assessment, instrumentation and incident management.

**Course #5 Nov. 12 8—5 pm & Nov. 13 8 —Noon
10 Hr OSHA Safety & Health Standards for General Industry**

This 10 hour program will provide an overview of OSHA's general industry standards and the requirements of the more frequently referenced standards. (You will need a copy of the OSHA 29 CFR 1910 General Industry Regulations. A fully annotated, easy-to-use copy may be ordered for an additional \$60 when you submit your registration fee.)
